ATTENTION: Mr. John McKenzie

Dear John:

We wish to express our appreciation for the fine job your company did in organizing and conducting our auction sale on September 6, 1997. The event was a complete success and we were very pleased with the results. We commend you and your staff for your professionalism and expertise in handling all the details. Also, we were impressed with your follow-up accounting procedure. It allowed us to quickly analyse the expenses vs. receipts and come up with an accurate bottom line figure.

Thanks to you personally, John. We appreciate the advice you gave us during the project and are grateful we followed it implicitly. We would not hesitate to recommend your company to prospective clients.

Yours truly,

Ken Shea
Purchasing/Promotions Manager
