Dear John:

On behalf of the Board of Directors, staff and Auction Committee of the Alzheimer Society of London and Middlesex, we would like to extend our most sincere thanks to you for donating your time and expertise to act as Auctioneer at our fifth annual *CABIN FEVER RELIEVER* fundraising Dinner and Auction.

You seemed to develop a rapport with your audience throughout the Live Auction and the bidding that took place enabled us to raise \$24,000 on the Silent and Live auction items alone! This event raised an astounding \$37,500 for Alzheimer Research, Education and Support Services.

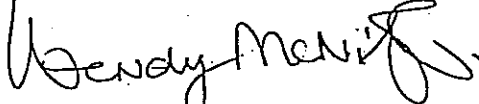

You, Curtis and Carey worked together as a very successful team and we certainly appreciate the work that you did to help us with this event. We have received numerous favourable comments about having this event computerized.

In a few months the Auction Committee will begin preparations for *CABIN FEVER RELIEVER '99* and we hope that we can count on your participation again next year.

Thank you again for your time and generosity and for helping us in our efforts to "*turn Alzheimer's into a memory*".

Sincerely,

Patricia O'Dell
