Dear Mr. McKenzie:

September 19<sup>th</sup> gave us a warm and beautiful evening in the country. Our guests bid high and enjoyed themselves well into the evening. The 11<sup>th</sup> annual *Country Classic Auction* generated \$423,000 with net proceeds to support the purchase of a Magnetic Resonance Imaging (MRI) scanner for the Victoria Campus, Westminster Site of the London Health Sciences Centre.

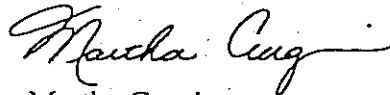

We extend our sincere appreciation to yourself and your team for participation in the 1998 *Country Classic Auction*. Your expertise added the energy which enabled us to raise over \$114,000 in the Live Auction this year.

Thank you for caring about the London Health Sciences Centre through your support of the London Health Science Foundation's *Country Classic Auction*. We hope you enjoyed your participation and will join us again in 1999!

Yours truly,

Bob Hamilton  
1998 Chair
