Dear Mr. McKenzie:

On Saturday, September 18th, the 12th annual *Country Classic Auction* was the place to be for great fundraising. We are thrilled that this year's event generated \$350,000 with net proceeds to support the purchase of a Magnetic Resonance Imaging (MRI) scanner for the Victoria Campus, Westminster Site of the London Health Sciences Centre.

We extend our sincere appreciation for your participation in the 1999 *Country Classic Auction*. Your contribution enabled us to decrease our expense line and ensure a greater portion of the revenue raised will go to the high priority need of an MRI.

Thank you for supporting health care in our community and the London Health Sciences Centre. We hope you enjoyed your participation in the Country Classic Auction and will join us again in 2000!

Yours truly,

Diane Thrasher
