Dear Mr. McKenzie,

On behalf of Matthews Hall School I would like to thank you and your staff for conducting such a successful live auction at our third annual gala event, "Diamonds Are Forever" (An Elegant Evening with a Twist!).

The live auction continues to be a highlight of our dinner/auction thanks to the flare and expertise of you and your team. We are very grateful that you have continued, for the third year in a row, to volunteer your time. Your contribution has helped to ensure that our dinner-auction keeps on reaching its fundraising goal. We are yet another step closer to turning our school's future vision into a reality.

With sincere thanks,

Natalie French
