Dear Mr. McKenzie:

On behalf of the London Chapter of the Canadian Cystic Fibrosis Foundation, I would like to express my gratitude for your generous support of 32<sup>nd</sup> Annual Cystic Fibrosis Charity Auction and Golf Tournament which took place at the Highland Country Club last Month.

I am delighted to let you know our auction and tournament were a great success, both in fun and fundraising. Thanks to so many sponsors, like you, and our 150 enthusiastic participants, \$30,000 was raised through this event.

Your contribution on auction night was greatly appreciated by our tournament organizers, players and our CF families. Your donation of your time enables our Foundation to fund vital research programs that are leading to longer, healthier lives for those suffering with cystic fibrosis. It also ensures that CF patients are able to access the best possible care through specialized clinics and lung transplant centres across Canada.

As you can appreciate, the fight against CF is an ongoing process that requires a tremendous amount of time, hard work, and financial support. Thank you for your positive response to our request. With your continued support, we are hopeful that a cure for this terrible disease will soon be found!

Gratefully yours,

Chris Townsend  
Golf Tournament Committee Chair
