Dear John:

On behalf of the London Chapter of the Canadian Cystic Fibrosis Foundation, I would like to express my gratitude for your generous support of *33rd Annual Cystic Fibrosis Charity Auction and Golf Tournament*, which took place at the Highland Country Club last week.

I am delighted to let you know our auction and tournament were a great success, both in fun and fund raising. Thanks to so many sponsors, like you, and our 142 enthusiastic participants, **\$37,000 was raised through this event.**

McKenzie Associated Auctioneers Inc. generously donated an auctioneer for the auction on Thursday night cocktail party for our live auction which was greatly appreciated by our tournament organizers, players and our CF families. Your donation enables our Foundation to fund vital research programs that are leading to longer, healthier lives for those suffering with cystic fibrosis. It also ensures that CF patients are able to access the best possible care through specialized clinics and lung transplant centres across Canada.

As you can appreciate, the fight against CF is an ongoing process that requires a tremendous amount of time, hard work, and financial support. Thank you for your positive response to our request. With your continued support, we are hopeful that a cure for this terrible disease will soon be found!

Gratefully yours,

Chris Townsend
