Attention: John McKenzie

Dear John:

On behalf of the Matthews Hall Dinner Auction Steering Committee and the Matthews Hall School Community I would like to extend a sincere Thank You to yourself and McKenzie Auctioneers. You provided our 2006 Dinner Auction, BRITISH INVASION, with your professional experience and expertise and that is greatly appreciated.

The overwhelming success of the evening is due in part to the efforts by yourself and your employees. Having your experience at our Dinner Auctions for the past 7 years has enabled us to achieve great success. It has also enabled you to get to know some of our guests and how to encourage them as well as new attendees in the fun of bidding.

We are extremely grateful to you for taking time from your own social and business schedule to carry out our live auction.

We as a school community are blessed by your efforts. We hope it will work into your plans to carry on our tradition with you as our auctioneer for our 2007 dinner auction scheduled on June 2, 2007.

Sincerely,

Vicki Pilkington
