Dear: John

On behalf of the London Professional Fire Fighters Association and The Autism Society of Ontario, London Chapter, we wish to extend our sincere appreciation for your support of the Fire Fighters Valentines Gala.

It gives us great pleasure having you take part in making dreams come true. Generous donations, such as yours, will assist in providing the funding needed to continue the support of many children diagnosed with Autism and their families. Proceeds from this years' Gala totaled over twenty seven thousand dollars. These funds will go directly to funding camps for Autistic children where they will receive one on one counseling and support that will go a long way towards improving their quality of life. Your donations will leave a legacy for caring and compassion that will be passed on from generation to generation. I believe that if we make a difference in the life of just one child our efforts will have not been in vain. Be proud in knowing that we can all make a difference.

Again, thank you for your donation. We look forward to your continued support.

Sincerely,

Steve Joudrey
